EXPLANATORY NOTE

WHEREAS, there are pressing issues that should be resolved first in the Balatas-Cararayan Route such as:

1. Unification of the numbering of units in this route. There are two (2) units each body number, from One (1) to Eleven (11), due to the merging of the White and Orange colors which previously ply this route;
2. Out of the thirty six (36) units of trimobiles authorized for this route, eleven (11) of which have expired franchises and fifteen (15) have expired mayor’s permits;
3. Members of the Cararayan-Balatas Road Trimobile Operators and Drivers Association, Inc. have a subsisting opposition to increase the number of units in this route as evidenced in its letters to His Honor, City Mayor John G. Bongat, and to the members of the Sangguniang Panlungsod, dated February 20, 2015, September 14, 2015 and March 14, 2016, which may not have yet been considered prior to the enactment of Ordinance No. 2016-029;
4. Implementing Ordinance No. 2016-029 without first addressing the issues mentioned in the preceding paragraphs will just compound the problem.

WHEREAS, it is for this reason that this proposed ordinance is being submitted for consideration and favorable action.

Be it ordained, therefore, by the Sangguniang Panlungsod of the City of Naga, that:

SECTION 1. The implementation of Ordinance No. 2016-029 is hereby suspended indefinitely pending resolution of the issues mentioned in the explanatory note of this ordinance.
SECTION 2. This Ordinance shall take effect immediately after publication in a newspaper of local circulation.

ENACTED: September 27, 2016

WE HEREBY CERTIFY to the correctness of the foregoing ordinance.
